LOTE4Kids

LOTE4Kids is an online database of digital books in World Languages, that allow kids to enjoy the magic in LOTE (Languages Other Than English). Each book comes with English translations to help kids learn languages.

*The LOTE in LOTE4Kids is pronounced 'lowt' (like boat).

The Peace Library System LOTE4Kids subscription is a 6 month trial that will end in May 2024.

Stories in Sign Language

There are stories available in the following sign languages:

- **ASL**: American Sign Language
- **AUSLAN**: Australian Sign Language
- **BSL**: British Sign Language
- **NZSL**: New Zealand Sign Language

Content is presented in video format.

Books

<u>**To Access Content:**</u>
Under **Find your library or school** search **Peace Library System**

Under the **Books** tab, content is organized by language. You can sort by latest releases, most popular, or alphabetically.

Choose a language to view currently available books. Books may have all or some of the following options:

Selected Language: Book is presented in video format and read out loud in selected language.

English: Book is presented in video format and read out loud in English.

Bilingual: Book is presented in video format and read out loud first, in selected language and second, in English.

Flipbook: Book is presented as a digital flipbook. Users can move forward or backwards manually. There is an automated play option that will read the book out loud in selected language.
